➔ STEP 1: LOOKUP TOOL ON SBS WEBSITE HOME PAGE

Go to www.statebasedsystems.com. There are three ways to navigate to the Lookup tool.

The screenshot shows the SBS website home page. At the top, there is a navigation bar with links for Home, Software Services, About Us, News, Contact Us, and Help. The main header features the NAIC logo and the SBS State Based Systems logo. Below the header is a large banner with the text "Your Insurance Regulatory Toolset" and a background image of two people looking at a computer. On the right side of the banner, there is a blue overlay with a "Step 1:" section containing a dropdown menu labeled "Select your jurisdiction:" with "Select One" as the current selection. Below this is a "Step 2:" section. At the bottom of the page, there are three main content areas. The left area has a red headline about the Iowa Insurance Division going live on the new version of SBS on Thursday, June 11, 2020, with a "Learn more" link. The middle area is titled "Now available in the new version of SBS:" and lists two options: "License Manager" and "Lookup". Under "License Manager" are three services: Print License, Print Education Transcript, and Update Email Address. Under "Lookup" are three search options: Companies, Courses and Providers, and Licensees. The right area is titled "State Services" and has a dropdown menu. Below the dropdown is the text "Select a jurisdiction to see a full list of its available services."

1. Step 1 / Step 2: In the top right, select a jurisdiction under 'Step 1.' From the options that appear under 'Step 2,' select 'Lookup.'

2. State Services Launch Page: In the bottom right hand corner of the screen, select a jurisdiction from the 'State Services' drop down. Select 'Lookup' or 'Licensee Lookup,' depending on what is available on the State Launch Page.

3. Lookup Direct Link: Select 'Lookup' from the home page. **This option is only available for states that have transitioned to the new version of SBS.**
