INSURANCE COMMISSIONERS

The **Lookup** tool provides real-time, direct access to non-confidential license information such as NPN, license number, license status, expiration date, license type, line of authority, business phone number and more.

➔ STEP 1: LOOKUP TOOL ON SBS WEBSITE HOME PAGE

Go to www.statebasedsystems.com. There are three ways to navigate to the Lookup tool.

The screenshot shows the SBS website home page. At the top left is the NAIC logo (National Association of Insurance Commissioners) and the SBS logo (State Based Systems). The main header includes navigation links: Home, Software Services, About Us, News, Contact Us, and Help. Below the header is a large banner with the text "Hassle-free tools that make insurance compliance easy and reliable" and an image of two people looking at a tablet. On the right side of the banner, there is a blue box labeled "Select your jurisdiction:" with a dropdown menu showing "Select One" and a green circle with the number "1" next to it. Below the banner is the "LICENSING QUICK CENTER" section, which is divided into two columns: "SBS" and "NIPR". The "SBS" column contains four icons: "Lookup" (with a green circle and "3" next to it), "Print License", "Print Education Transcript", and "Report Generator". The "NIPR" column contains four icons: "Apply for License", "Renew License", "Attachment Warehouse", and "Update Contact Information". To the right of the "LICENSING QUICK CENTER" is the "STATE SERVICES" section, which has a dropdown menu and a green circle with the number "2" next to it. Below the dropdown menu is the text "Select a jurisdiction to see a full list of its available services."

1. Select Your Jurisdiction: In the top right, select your jurisdiction. From the options that appear select 'Lookup.'

2. State Services Launch Page: In the bottom right hand corner of the screen, select a jurisdiction from the 'State Services' drop down. Select 'Lookup' or 'Licensee Lookup,' depending on what is available on the State Launch Page.

3. Lookup Direct Link: Select 'Lookup' from the home page.

→ STEP 2: LICENSEE SEARCH CRITERIA

Enter search criteria using the following guidelines:

The screenshot shows a 'Lookup Search' form with the following fields and sections:

- 1. Required Search Criteria:** Three dropdown menus for 'Jurisdiction' (Alabama), 'Search Type' (Licensee), and 'Entity Type' (Individual).
- 2. Additional Criteria Options:** A section titled 'Enter one or more additional fields:' containing four input boxes: 'Last Name', 'First Name', 'License Number', and 'NPN'.
- 3. Advanced Criteria:** A section with a link 'Advanced Criteria', a checkbox 'I agree to the NAIC's Terms and Conditions', and 'Search' and 'Reset' buttons.

1. Required Search Criteria: Select the jurisdiction of the licensee you want to look up, select 'Licensee' from the 'Search Type' drop down and select either 'Individual' or 'Business Entity' from the 'Entity Type' drop down. These fields are required.

2. Additional Criteria Options: It is recommended to enter at least one more field after the three required. Failure to narrow your criteria will likely result in a constant loading icon, as the system is attempting to retrieve too many records.

3. Advanced Criteria: Click on the 'Advanced Criteria' link for the following additional criteria options which include: License Type, Resident License, Line of Authority, Business City, Business State/Province, Business Zipcode, DBA Last Name and Mailing County.

➔ STEP 3: LICENSEE SEARCH RESULTS
